Pick your team...

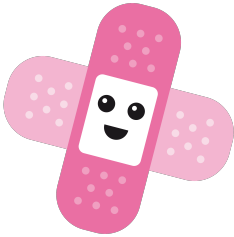

Welcome Team

Could you provide a warm welcome to new volunteers? The welcome team introduce volunteers to potential units and make sure they're supported through their pre-recruitment checks, increasing the chance that they join us.

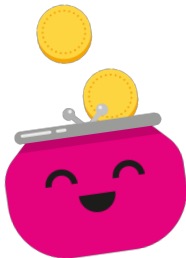

Safe Practice Team

This team co-ordinate and carry out DBS checks for new and existing volunteers. They also keep a track of safe space and first aid training that is due, all to keep our members safe.

Finance Team

The finance team make sure we comply with Girlguiding's financial reporting requirements. They provide support for accounts checking, and make sure accounts and financial details are submitted.

GO Team

The GO team provide a helping hand to make sure girl enquiries are managed well. They also make any changes needed to volunteer roles.

Communications Team

We know we provide amazing opportunities for girls in Bath. The communications team make sure that other people hear about it. They use social media and newsletters to communicate volunteers and organise recruitment events.
